Desperado Captured in Fight With FBI Agents Off Times Square

NEW YORK (AP)—An FBI agent and a "dangerous" murder suspect wounded each other in a gun fight just off busy Times Square Friday night when the desperado made a futile attempt to shoot it out with his captors.

The FBI positively identified the criminal as Albert Joseph Kostal, 37, an escape artist wanted in Denver, Colo., for the slaying of a policeman during a grocery stickup and kidnapping.

Kostal and agent Frank H. Gerity, 37, of Colonia, N. J., both were taken to St. Clare's Hospital with leg wounds. Kostal later was transferred to Bellevue Hospital's prison ward. Neither was seriously wounded.

Kostal, who came close to making good his boast he "never would be taken alive," met his downfall like another desperado of the 1930s, John Dillinger.

The FBI said a woman "put the finger" on Kostal who had registered at the Hotel Dixie Friday under the name of Joe Delmar.

Two Guardsmen Collect \$2,500 In Polio March

WEST FRANKFORT, Ill. (AP)—Two Illinois National Guardsmen completed a 102 mile hike for the March of Dimes Friday night. They went over their fund-raising goal by \$500.

Jerry Plasters, a 20 year old radio announcer, and Tom Peavler, 17 year old high school senior, completed the march at their hometown of West Frankfort. Their total collection was \$2,500.

Plasters said, "We both feel fine because of the extra \$500 we collected for the drive. Our legs and backs are a little sore."

He said they went on the march on behalf of the polio fund because "you never know when polio may strike in your own back yard."

Eldorado C-C Protests County Tax Multiplier

The Eldorado Chamber of Commerce at a recent meeting voted unanimously to ask the Saline County Board of Supervisors to lodge a protest with the State Department of Revenue against the proposed 6.2500 multiplier for taxes assessed in Saline county in 1957, payable this year.

A letter to the board, signed by President Bruce Burnett, said this year's multiplier represents an 18 per cent gain over last year's multiplier of 5.6232.

"It is our understanding," the letter said, "that numerous city and county officials in the State of Illinois have lodged formal protests with the Department of Revenue in Springfield and have been assured by representatives of the Revenue department that their protests against the proposed tax multiplier for 1957 assessments will be given consideration."

"It has come to our attention that a county in the northern part of Illinois has authorized its state's attorney, to file suit under the Administrative Review Act, contesting the validity of the proposed multiplier in the county for the year 1957."

"The Board of Directors of the Eldorado Chamber of Commerce requests the Saline County Board of Supervisors to lodge a formal protest with the State Department of Revenue in Springfield and further, the board directs the state's attorney of Saline county to investigate the possibility of testing the new multiplier by legal proceedings under the Administrative Review Act."

To Start Filing Monday for April Primary

Petitions for the April 8 primary election can be filed starting Monday and a better look at who is running for the various offices can be seen after petitions are in.

Both parties will nominate candidates for the following:

State at large: State Treasurer; State Superintendent of Public Instruction.

Congressional district: Congressman.

Senatorial district: State senator.

Representative district: State representative.

County: County Judge, County Clerk, County Treasurer, Sheriff, County Superintendent of Schools.

In addition, the following will be elected by each party at the April primary:

State Central Committeeman from the 25th Congressional district, Representative Committeeman from the 59th Representative district and precinct committeeman for each of the 34 precincts of Saline county.

Petitions for judge, clerk, treasurer, sheriff, county school superintendent, representative committeeman and precinct committeeman will be filed in the office of county clerk, the others with the secretary of state at Springfield.

Voters to Name Candidates for Council Vacancy

Go to Polls Tuesday; General Special Election March 11

Voters living within the corporate limits of the City of Harrisburg will go to the polls Tuesday to nominate two candidates to fill a vacancy created after Don Williams moved outside the city limits.

Candidates, in the order on which their name will appear on the ballot, are Orval Hudnell Lee Morse and John H. L. Parish.

Since there is only one vacancy to fill, voters should cast a vote for only one of the three. To vote for more than one will spoil the ballot. The top two will run for the post in the March 11 general special election.

Voting places will be as follows:

Ward 1: City Hall.

Ward 2: Humm Motor Co., 217 East Poplar.

Ward 3: F. N. Russler Plumbing Shop, 9 West Church.

Ward 4: Franks Bottling Works, North Jackson.

Ward 5: Leo Richmond's Garage, Granger street.

Ward 6: Soward Harley-Davidson Sales, 322 West Robinson.

Ward 7: Highway Garage, Dorrisville.

Ward 8: Gaskins City, City Hall.

Mayor Claud Gibbons listed the following as judges to serve at the eight polling places:

Ward 1: Ray Asbell, H. E. Jones, Alice Stone, Pearl Hood, Bess Reed.

Ward 2: Alice Bosket, Bernice Gustin, Ina Cain, Letha Cozart, Ruth Brantley.

Ward 3: M. C. Shell, Cora Shell, Helene Rathbone, Bess McCormick, Gladys Dixon.

Ward 4: Laura Moore, Edith Hill, Gertrude Wendling, Grace Stricklin, Bernice DeVar.

Ward 5: Howard Reed, Ruby Hilliard, Myrtle Jones, Ora Rusler, Blanch Hunsaker.

Ward 6: Anis Wallace, Margie Alexander, Lorene Ewell, Irene McDonald, Lela Baker.

Ward 7: Virginia Vanbiber, Eva Grounds, Nancy Blue, Peoria Langford, Ethel Hudnell.

Ward 8: Mack Gibbons, Jewell Smith, Joe Matthews, Gertrude Vanbiber, Lou Hutchcraft.

Wm. E. Goss, 21, Admits Burglary, Thefts in Galatia

William Earl Goss, 21, who lives north of Galatia, is held in the Saline county jail and Sheriff William T. Barrett said the young man has admitted a Galatia burglary, the theft of an air hose at Galatia and the stealing of gasoline south of Galatia.

Barrett said Goss had implicated Robert Fillingam, who lives on Route 142 north of Eldorado. However, Barrett stated, Fillingam, who is being held by Franklin county authorities in the Franklin county jail, denies any part in the activities with Goss.

Goss admitted entering the Potter pool room at Galatia a few nights ago and prying open a pinball machine and mechanical bowling alley and taking the money in the coin boxes. A tire tool was used to force open a door, he stated.

He also admitted cutting off the air hose at the Joe Bordon service station the same night, saying he planned to use it as a siphon to steal gasoline.

Goss had hidden between eight and nine dollars in pennies near Lake Harrisburg, the sheriff stated.

Air Force Reveals It Is Ready to Enter Satellite Race, Flight Around Moon

WASHINGTON (AP)—The Air Force mounted a strong campaign today to enter the satellite race and launch a manned flight around the Moon.

It also claimed the immediate potential to initiate a project in unmanned flights to Venus and Mars and put the United States in competitive position with Russia in future space technology.

The Army at the same time signaled a possibly important breakthrough in missile fuel development by disclosing it is replacing its liquid-propelled 200-mile range Redstone with a solid fuel missile.

Boasting the Air Force rocketry claims was the successful shot Friday of its 5,500-mile Atlas intercontinental ballistic missile (ICBM) at Cape Canaveral, Fla.

Air Force space plans were revealed in hitherto secret testimony by Air Force missile chief Maj. Gen. Bernard A. Schriever before the Senate preparedness subcommittee.

Masonic School of Instruction In Final Day; Registration High

A highly-successful Masonic state school of instruction at the Harrisburg Masonic temple was entering its second and final day today.

Registrations yesterday tallied 263 from 118 Masonic lodges all over Illinois, as far north as Chicago. Of this total 71 were Grand lecturers, 83 lodge officers, 27 district deputy Grand masters and 82 lodge members.

Registration was brisk this morning and officials believed that total registration for the two-day school will be 400. This would be approximately 150 more than the last state school held in Harrisburg four years ago. An additional ten more Grand lecturers had registered by 9 a. m. today.

The school is being conducted by the Board of Grand Examiners consisting of Chairman William L. Mason of Eureka, Secretary Myron K. Lingle of Springfield, Glenn W. Ford of Ottawa, Clinton H. Lang of Chicago and Harold E. Meiley of Naperville.

All elected Grand officers were on hand today as follows: Grand Master Harold Kopfmann, Deputy Grand Master Paul R. Stephens, Senior Grand Warden Harold D. Ross, Junior Grand Warden Clarence P. Schwarz, Grand Secretary R. C. Davenport and Grand Treasurer James Green.

There were three sessions yesterday with excellent attendance. Sessions at 9 a. m. and 1:30 p. m. today were devoted to instruction. The Grand Master's Banquet will be at 6 p. m. and at 7:30 p. m. will be the receptions, followed by an address by Grand Master Kopfmann.

Word has been received by Mrs. Edith Slankard, 1319 South Granger street, Harrisburg, of the death of her brother-in-law, Will C. Darby, 39, of Waskom, Texas, who was stricken at the wheel of his automobile in front of a cafe in Waskom, at 9:30 a. m. Monday.

The funeral was held at 3 p. m. Tuesday in the Colonial chapel of the Sullivan funeral home in Waskom with Rev. Williamson and Rev. C. A. Lawton officiating and burial in Algoma cemetery.

Mr. Darby was born in Elysian Fields, Texas, July 31, 1918, son of J. C. Darby, who survives and the late Mrs. May Block Darby. He was married to Miss Edna McNabb of Harrisburg, June 21, 1939, who survives also. Other survivors are his daughter, Miss Jodie Darby in the home; his brother, J. C. Darby Jr., Bethany, La.; and his three sisters, Mrs. Elizabeth Leake, Waskom, Mrs. Mildred Cady, Ft. Worth, Texas and Mrs. Hallie Hillen, Pine Hill, Texas.

Rites at Equality Sunday For Mrs. Hester Payne

The funeral of Mrs. Hester Payne, 70, of Equality who died Thursday, will be held at 2 p. m. Sunday in the First Church of God in Equality. Rev. A. S. Foster of Blufford will officiate and burial will be in the Elmwood cemetery. The body is in the care of the Cox funeral home in Ridgeway and was taken to the family home to lie in state today.

First Heard in Finland, Norway, West Germany

No Indication From Moscow of Any New Launchings

HELSINKI, Finland (AP)—Official and private radio stations picked up signals today which indicated that a rocket is on its way into space—perhaps to the moon.

Although the immediate assumption was that the rocket probably came from nearby Russia, United Press correspondent Henry Shapiro reported from Moscow that "there is no indication here of any new rockets being sent up."

Engineers at the state radio station and a private firm's listening post agreed that the signals must be coming from a rocket headed for space—unless they were being faked by an earth station.

Audible for Hour

The signals were audible for about an hour, strengthening the assumption that they were from a space-bound rocket rather than a new Sputnik. Sputnik signals were heard here for only about 20 minutes at a time.

A coastal radio station at Tjome, Norway, and West Germany's Radio Control Institute in Darmstadt both picked up the signals.

The British Broadcasting Corporation's listening post also heard the signal, but said it resembled an unexplained signal that has been audible at about 5 a. m. e.s.t. every day for two weeks.

"Our direction finders indicated when we heard it first that it did not come from within the borders of the U.S.S.R.," a BBC official said.

Heard Loud and Clear

The signals were first heard in Helsinki at 9:55 a. m. (3:55 a. m. e.s.t.). Engineers said they came in "loud and clear."

The U. S. Naval Research Laboratory in Washington said it had "no word of any launchings."

Finnish radio engineer Jaakko Holopainen said the signals were heard on 40.002 and 20.005 megacycles — the frequencies used by the Sputniks.

Holopainen said the signals must logically come from a moon rocket or some other vehicle heading into space, unless they are being faked by an earth station.

"If they are real signals, they must come from a rocket heading into space," he said. "A Sputnik signal would fade out as it passed around the earth."

Matti Vilksa, an engineer at the private listening post, said he is "almost sure" the signals were not fakes.

They were the familiar "beep-beep" signal of the Sputniks. Newsmen at the United Press bureau here heard them over the telephone from the state radio station.

Mrs. Sarah Perkins, 85, Dies; Rites at Eldorado Sunday

Mrs. Sarah Elizabeth Perkins, 85, who had made her home with her son, Henry Perkins, in Galatia for the past 8 years, died in the Pearce hospital in Eldorado at 11:30 p. m. Friday. She was a former resident of Providence, Ky., and leaves the following children: Bill Perkins, Detroit, Mich.; Garrett E. Perkins, Milwaukee, Wis.; Henry Perkins with whom she resided, Taylor Perkins, Eldorado, Mrs. Lillian Baumgarth, Chicago, Mrs. Sadie Teague, Ft. Lauderdale, Fla.; 16 grandchildren and one great-grandchild.

The body will lie in state at the Martin funeral home in Eldorado and the funeral will be held in the chapel there at 1 p. m. Sunday. Rev. William Fuson will officiate and burial will be in the Highland cemetery near Morganfield, Ky.

S.I.U. Country Column

By Albert Meyer
Some ups and downs appear on the agricultural horizon for 1958, but, on the whole, farmers likely will end up the year with conditions about as good as 1957. That is about the way Dr. Walter J. Wills, Southern Illinois University agricultural economist, sees the outlook after pointing out some of the many factors that will determine what the farmers will get for their products.

In this time of Jet aircraft and missiles when world distances have shrunk so amazingly, the agricultural outlook is tied closely to the general economic condition at home and abroad. The amount of agricultural products we are able to export to other countries depends on the world situation, not only on the political stability but on the size of crops and the amount of money available in those nations. What farmers in this area receive for products they have for sale also is affected by the competition from similar commodities produced in other parts of the United States and by the income of the American people. Most studies show that changes in personal income are reflected in the kinds and amounts of food and fiber that the consumers buy.

A year ago the primary consideration in our general economic situation was inflation, Wills says. Interest rates seem to be easing and credit is easier to obtain in some areas. The federal government released additional funds for federal housing last month, so starts of new housing units in 1958 are expected to equal or exceed those of 1957. However, the newspaper headlines indicate that business building activity will not be so brisk in the new year as it was during 1957.

The agricultural economist believes that the foreign market for United States farm products will continue rather high, but will not be at the high rate of the past year because some countries have had larger harvests, the dollars for buying from the U. S. are scarcer, and there exist other economic and political difficulties.

There are some domestic problems that may be a little depressing on the agricultural front, too—at least for the first half of the new year. Some rise in unemployment—possibly 5,000,000 persons out of work—is the outlook for 1958. The prospective labor situation seems even more important, Wills believes. Many labor contracts will be up for consideration this year. If earnings in industry are depressed there may be more resistance to new con-

tract demands, and if stalemates develop the strikes and other disruptions in industry may slow down economic activity and purchasing power.

The rather heavy supply of wet corn has some bearing on the livestock situation as well as on the price of corn. Until the wet corn is moved farmers can expect little strengthening in prices, and only limited improvement thereafter. Cattle numbers have started a downward trend as larger numbers apparently have been placed on feed to use up the soft corn. There is a feeling that marketing will increase this month and put pressure on the market for late winter and early spring. After that the 1958 cattle market should be favorable.

A six percent increase in farrowing sows is indicated for this spring, meaning lower prices next fall than in the fall of 1957. The favorable corn-hog ratio of the past few months also is expected to help increase the number of summer pigs. Lamb prices are likely to remain at about 1957 levels during the coming year but wool prices appear to be headed for lower levels than in the past year.

Egg prices should continue about last year through the coming spring and summer, but producers may decide to expand their laying flocks. If they do, prices may go down next fall and winter. Broiler prices may continue low because producers still are starting more chicks than a year ago.

A total of 519 voting delegates represented the 192,067 Farm Bureau members at the 1957 IAA annual meeting. Voting delegates are elected in each county, representing the membership in proportion to the number of members in the county at the end of the fiscal year—September 30, 1957.

U. S. Department of Agriculture records show that over the last 10 years livestock has consumed about 85 per cent of all corn produced in the United States.

Farmers must convince themselves that farming the right way is the safe, efficient way.

Popcorn Acreage And Yields Down Sharply In 1957

ILLINOIS: This year's popcorn crop, amounting to 31.5 million pounds, was down sharply compared to both the 1956 crop of 52.5 million pounds, and the 1946-55 average of 41.1 million. Yields frequently were disappointing especially in the important southeastern popcorn area and statewide averaged only 1,700 pounds per acre compared to 2,100 pounds a year earlier.

A marked reduction in acreage shared in this year's decline in production. Only 18,000 acres were harvested this year, compared to 25,000 a year ago, and the ten-year average of 24,300 acres. The crop was plagued with wet weather in most areas.

Planting was seriously delayed, to the extent that some intended acreage was never planted. Wet weather also interfered with harvest particularly in the southeast.

UNITED STATES: Popcorn growers in 17 states produced 251 million pounds of ear popcorn in 1957. This is 25 percent less than the 333 million pounds grown in 1956 but slightly more than the 10-year average production of 249 million pounds.

Approximately 142,000 acres were harvested this year, 20 percent less than the 176,000 acres harvested in 1956, and compares with the 10-year average of 154,000 acres. Growers planted 148,000 acres in 1957 or nearly 20 percent less than the 184,000 acres planted in 1956.

Percentage-wise, acreage losses were not unusually high in 1957 despite much adverse weather during the entire season in many areas.

Yields per acre harvested in 1957 averaged 1,771 pounds, compared with 1,887 in 1956 and the average of 1,597 pounds. Acreage harvested and yields per acre varied widely between the states. Most of the major states had less acreage than a year earlier.

Iowa, however, was the main exception and increased acreage nearly 30 per cent in 1957. Nebraska also showed a gain of 9 per cent.

Yields showed wide variation even within States. Yields in most states were below 1956, except in Iowa, Nebraska and Kansas and some minor states.

Iowa was the leading producing state in 1957 with 58 million pounds compared with 37 million last year. Quality of the crop is reported as good and well above average even though the range is from poor to good.

Lack of rainfall at filling time reduced yields. Corn borer damage was heavy in Western areas of the state, causing considerable lodging. Indiana production ranked second in 1957 and was 47 million pounds, far below the 88 million pounds produced in 1956. The reduction was due largely to less acreage although the yield per acre was about 11 percent below 1956. Quality was generally good except that moisture content has been very high.

Illinois produced about 32 million pounds this year, 40 percent less than the 53 million pounds last year. Wet weather delayed planting, even prevented planting some acreage.

Quality ranges from poor to good

though the harvesting season has been excessively wet. At least half the crop was unharvested on November 1.

Ohio, Nebraska, Missouri and Kentucky are next in order of 1957 production. Nebraska had a particularly good year with both acreage and yield per acre above 1956. Yields are unusually good, averaging 2,000 pounds per acre in 1957 compared with 1,750 pounds in 1956. Kansas had a fair season due mostly to better yields per acre.

The Kentucky crop varied widely—the Trenton area good to excellent but the Owensboro and Murray areas had too much spring rain for planting the intended acreage. Production in the "other" states was only about 11 million pounds compared with about 18 million pounds in 1956.

The 1957 season was torn between excessive rains at both planting and harvest time in most of the popcorn areas—and drought in some areas during the growing season. Much replanting was necessary and some acreage was not planted until about mid July.

About 25 percent of the 1957 crop was white popcorn and 75 percent yellow popcorn, about the same proportion as reported for the 1956 crop. There seems to have been some slight upward trend in white popcorn production in recent years. Iowa, Missouri, and Ohio are the principal white popcorn producing states in 1957 with Iowa having the largest quantity.

BIBLE THOUGHT FOR TODAY
Be thou faithful unto death and I will give you a crown of life. Revelation 2:10.

The day of martyrs has not passed, but we can be faithful in small things too. Life is made up of comments and multitudes of little trials.

A 2/c and Mrs. Donald Emmons Honored With Household Shower

A 2/c and Mrs. Donald Emmons were honored with a household shower on January 4, given by Mrs. Emmons' parents, Mr. and Mrs. Walter Small, Mrs. Emmons is the former Miss Margaret Small.

Guests at the shower were: Mrs. Daisy Hicks, Mrs. Minnie McDowell, Mrs. Mary Seets, Mrs. Volnie Raymer, Mrs. Nellie Thackston, Mrs. Carmie Smith, Mrs. Ethel Hale, Mrs. Louise Walker, Rev. and Mrs. Clayton Humphrey, Mrs. Lavern Kuhling, Mrs. Della Greer, Mrs. Helen Hill, Mrs. Elsie Stricklin, Mrs. Naomi Boone, Mrs. Charlotte Reiner, Mr. and Mrs. Gene Small, Brenda and Ramona Small, Mrs. Lena Cummins, Miss Daisy Rude, Mrs. Marny Humphrey, Miss Effie Armistead, Miss Carolyn Armistead, Tommy Gott and George Gott.

Many attractive and useful gifts were received from friends who could not attend.

Refreshments of cake, spiced tea and coffee were served to the guests and Mrs. Small was assisted by Mrs. Hill and Mrs. Thackston.

Airman and Mrs. Emmons are scheduled to leave Harrisburg Monday for Brooks Field near Mobile, Ala., where Airman Emmons will be stationed with the U. S. Air Force.

Mrs. Emmons was a senior at HTHS this year and Airman Emmons has just completed 18 months' service at Tachikawa Air Base in Japan.

A 2/c and Mrs. Donald Emmons were married in Carmi by the Rev. John Henderson, June 6, 1956. The bridegroom went overseas almost immediately and the young couple are now preparing their home.

Pemberton-Braden Marriage Is Solemnized at Galatia Methodist Church

Mr. and Mrs. John M. Braden

Announcement was made today of the wedding of Miss Floye Deen Pemberton, daughter of Mrs. Stella Pemberton, Eldorado, and John M. Braden, son of Mr. and Mrs. Bert Braden Galatia. They were married Saturday morning, Dec. 28, at the Galatia Methodist church.

The double ring ceremony was performed by the Rev. Harrison (Buddy) Peyton, close friend of the bridegroom, who was at home

First Baptist Church Missionary Circles Hold January Meetings

The First Baptist missionary circles held their January meetings as follows:

Everly Hayes circle met in the home of Mrs. John Sisk. There were seven members and three guests present. Mrs. D. H. Hiller opened the meeting with prayer and Mrs. Lloyd Reynolds presided. Reports were given and community missions assignments were made. Mrs. Mima Woolard, program chairman, read the names of foreign missionaries for whom prayers were offered. Mrs. Raymond Greer, Mrs. Stella McNulty and Mrs. Reynolds presented topics. Refreshments were served by the hostess.

Irma Franks circle met with Mrs. Anna Pankey. Mrs. Bob Burnett gave the devotion and Mrs. F. M. White and Mrs. Marion Froman, the missionary topics. Community mission reports were made including visits to shut-ins and flowers sent to the sick. Refreshments were served and 12 members were present.

Mrs. Dan Minner was hostess to the Blanch Simpson circle. There were nine members and one visitor present. Mrs. B. F. Fearheiley gave the devotion and the missionary topics were presented by Mrs. Kenneth Dunn and Mrs. Stanley Price. Gifts of fruit baskets and visits to shut-ins were reported. The hostess served fruit cocktail, cake and coffee.

Mildred Bonnell Makes Cranberry Recipe Suggestion

"Bake the ruby red cranberry" is the name of an article in the food section of the Globe Democrat for Friday, in which Mildred Bonnell, former Harrisburg resident, now acting head of institution management at the University of Illinois, is quoted.

Miss Bonnell's suggestion is to put the saucan away and heat the oven for cooking cranberries. Wash the berries and spread them in a shallow layer on a well greased baking dish. Cover with a layer of sugar and use a cup of sugar for a cup of cranberries. Bake in a slow oven, 325 degrees F for one hour.

To preserve the shape, remove the berries with a spatula or egg turner or use a toothpick to keep the shape for garnishing salads and desserts. A spoonful on apples or orange slices makes a colorful decoration for the meat platter, to top a fruit salad or garnish a whole ham.

This is a wonderful suggestion for a party buffet.

Naomi Sunday School Class Holds Social Meeting

The Naomi Sunday school class met recently for a class social. The meeting opened with the singing of a hymn and prayer led by Mrs. Gerie Hendren. Mrs. Gerie Hutchinson gave the devotion from Romans 5. Following the roll call, answered by 13 members, the group sang another hymn and prayer was led by Mrs. Viola Lamar.

Refreshments were served and the following attended: Mrs. Frances Ingram, Mrs. Mary Willis, Mrs. Nancy Fowler, Mrs. Ora Larson, Mrs. Carsa Gardner, Mrs. Viola Lamar, Mrs. Minnie Toops, Mrs. Mattie Rogers, Mrs. Jane Gasaway, Mrs. Gerie Hendren, Mrs. Maud Nelson, Mrs. Mollie Ervin and Mrs. Gerie Hutchinson.

from Northwestern University for the holidays.

Their only attendants were Miss Lois Jean Burnett, niece of the bride, from Broughton, and Miss Mildred Braden, Galatia, sister of the bridegroom. The bride's corsage was of beautiful rosebuds and the attendants wore corsages of white carnations.

Mr. and Mrs. Braden are at home to their friends at 2017 Pike street, Eldorado, where both are employed. He is a television technician for Uzzle Furniture and TV Mart, and she is a bookkeeper at the Baker Furniture store, a position she has held for three years. She is a graduate of the Harrisburg Township high school and he is a Galatia Community high school graduate, who also attended Television Technical School at Southern Illinois University.

Methodist WSCS to Conduct Study Course on Japan

The Woman's Society for Christian Service will hold a course of study on Japan in four sessions beginning at 9:30 a. m. Wednesday in the east room of Wesley Center. The second session will be 9:30 a. m. to 11:30 a. m. Jan. 29 and the third session at the same hours Feb. 5. The fourth session will replace the regular WSCS meeting at 2 p. m. Feb. 12.

Mrs. Lolo Eddy will teach the course based on the book, "Cross and Crisis in Japan," by Charles W. Inglehart. Mrs. Eddy attended the annual school of Missions and Christian Service at McKendree college last August to prepare for the course and was instructed by Dr. Hamako Hirose, president of the Hiroshima girls' school in Japan.

Exhibits will be shown at the final session and women of the community are invited to display Japanese art objects or cultural Japanese examples.

All women of the community are invited to take the course.

First Church of the Nazarene Bible Class Meets Tuesday

The Bible class of the First Church of the Nazarene met Tuesday evening in the home of Mr. and Mrs. George Turner, 500 East McElrath street, Harrisburg. The meeting opened with a devotion-al service during which the group sang a hymn and Mrs. Eva Cook led in prayer. Mrs. Dorothy Scott read from the Bible.

Refreshments of cookies and coffee were served and the following were present: Mr. and Mrs. Lamor Cook, Charles, Wayne and Bonnie Cook, Mrs. Beulah Hatcher, Roy Hayes, Mrs. Eugene Hughes, Rev. and Mrs. Charles Scott, Jimmy, Stevie and Neva Lynn Scott, and Mrs. George Turner.

Rev. Scott dismissed the meeting with prayer.

Amanda Reynolds W.M.S. Holds Wednesday Meeting

The Amanda Reynolds woman's missionary society met in church at 7 p. m. Wednesday. Following the opening hymn, Mrs. Myrtle Parrish led the group in prayer. The teacher, Geraldine Ewell, was in charge of the meeting and read II Corinthians 5:17-18 and Ephesians 4:22-32 for the scripture.

Wanda Parrish gave the worship theme and Mrs. Geraldine Ewell presented the lesson, "New Year in Japan." Mrs. Cora Church presided at the business meeting and Sylvia Fowler closed the meeting with prayer.

Others present were: Ona Melton, Lillie Allen Disney, Ola Maszars and Eunice Black.

Louie Largent, son of the late Mr. and Mrs. Mood Largent, who is in the pharmacy business at Sikeston, Mo., was in Harrisburg Friday, on business and calling upon several friends and relatives.

Receives Life Sentence for Slaying North Carolina Patrolman

ROCKINGHAM, N.C. (AP)—Frank Edward Wetzel received a life sentence Friday night for slaying a North Carolina highway patrolman. The widow of the slain patrolman, on hearing the sentence, sobbed hysterically. "He's going to live! He's going to live! I can't bear it."

A Richmond County Superior Court jury deliberated slightly more than three hours Friday before finding the 37-year-old Seneca Falls, N. Y., fugitive guilty of first degree murder in the death of Wister Lee Reece, one of two patrolmen he killed last Nov. 5.

The jury spared Wetzel's life, however, by recommending mercy, making the life sentence mandatory. Despite a warning by Judge J. A. Rousseau against any demonstrations, many of the large group of teen-aged girls in the crowded courtroom squealed and clapped their hands when the verdict was announced.

Wetzel broke into smiles and several persons shook his hand but the widow of the slain patrolman collapsed and was carried from the courtroom sobbing.

The pretty dark-haired native of Wales whom Reece married in England 13 years ago was treated in

U. S. to Reject Bulganin Bid But Leave Door Open

WASHINGTON (AP)—President Eisenhower will reply to Soviet Premier Nikolai A. Bulganin in a day or so and leave the door open to "summit" talks with Russia, officials indicated today.

But he will reject Bulganin's latest bid to hold them within "two or three months."

Eisenhower would consult the western allies before agreeing to meet with Bulganin, it was indicated.

Secretary of State John Foster Dulles, setting the tenor of the allied reply to Russia's peace negotiation proposals, brusquely knocked down Bulganin's bid for early talks.

Dulles told a news conference Friday there must be extensive preliminary negotiations first on a lower diplomatic level that produce at least a probability of success before it would be worthwhile to hold a conference of chiefs of state.

He said a top-level conference that ended in disagreement—or in an agreement in words only—would have "very undesirable consequences."

Dulles sized up the Soviet premier's letter as a "massive repetition of prior proposals" made by Soviet officials and summarized in another Bulganin letter Dec. 11.

Shoots Neighbor Over Barking Dog

ST. LOUIS (AP)—Charles Brown, 28, was shot to death by a neighbor Friday over a barking dog.

Police said the neighbor, Charley Burden, 37, had admitted firing the shot that killed Brown. He was held on suspicion of homicide.

The quarrel had developed over the past six months, officers said Burden had continually objected to the barking of Brown's dog in an apartment building where both lived.

Expert Says Sitting Not Always Restful

ITHACA, N. Y. (AP)—Back

on your feet ladies. An expert says sitting does not save energy while working.

Laboratory tests show that women who sit to peel potatoes and iron use the same amount of energy as women who stand, said Dr. Esther Bratton, research associate at New York State College of Home Economics at Cornell University. The tests also showed that women use more energy when they get up for interruptions than when they stand.

IN THE SERVICE

SERVES ABOARD AWARDS-WINNING CARRIER

Gerald D. Walls, electronics technician seaman, USN, son of Mr. and Mrs. Oral Walls, RFD 4, Harrisburg, is serving aboard the attack aircraft carrier USS Randolph which has been awarded the 1957 Battle Efficiency and the Chief of Naval Operations' Safety Awards for attack carrier of the U. S. Atlantic Fleet. The top Navy awards were presented to the ship by Vice Admiral "Cat" Brown, commander of the Sixth Fleet, during a formal ceremony aboard the Randolph Dec. 7 at Athens, Greece. The ship's bakers prepared a 12-foot, 668 pound "E" shaped cake in honor of the occasion.

Pfc. Edwin H. Allen, son of Mr. and Mrs. Harold Allen, Route 1, Harrisburg, is a gunner in Company C of the 25th Division's 14th Infantry in Hawaii.

The gecko, a lizard, can walk upside down on a smooth ceiling and can climb a pane of glass.

Mrs. Lillie Hurley Dies at Eldorado

Mrs. Lillie Hurley, 78, resident of Eldorado, died at the Pearce hospital in Eldorado at 5 a. m. today. The body is in the care of the Eldorado funeral home and tentative plans for the funeral are for 2 p. m. Monday. Rev. A. B. Clodfelter, pastor of the First Methodist church of Eldorado, will officiate at the services held in this church where she was a member and where she had taught a Sunday school class for 10 years. Burial will be in the Cottage Grove cemetery south of Eldorado.

Mrs. Hurley leaves the following children: Mrs. Hilda Biffle, Norman, Okla., Rev. Hubert Hurley, pastor of the First Methodist church of Carbondale, Hilliard Hurley, Eddyville, in whose home she had resided for the past five months, and 10 grandchildren. Half-brothers and sisters also surviving are: Mrs. Daisy Smith, Mrs. Fannie Hudgins, Mrs. Ruth Adams and Tommy Carnahan, all of Eldorado.

West Pro Team

Favored Over

Eastern Squad

LOS ANGELES (AP)—An out-
weighed and reportedly out-man-
ned West team was a three point
favorite today to whip the star-
studded East club in the 8th an-
nual Pro-Bowl charity football
game Sunday.

With the weatherman cooperat-
ing, a crowd of more than 60,000
was expected for the Los Angeles
Coliseum tilt — despite the loss
of some of the spectator luster
with the settlement of the reputed
feud between head coaches Buddy
Parker and George Wilson.

The two boss-men, who have
been at odds since Parker quit his
Detroit job in a huff shortly be-
fore the National Football League
season opened last year and Wil-
son, at the time his assistant was
named to replace him, was resolv-
ed in the spirit of good fellowship
at a pre-game luncheon Thursday.

Kickoff is at 4 p. m. e. s. t. and
the weatherman has forecast scat-
tered cloudiness, but no rain.

To The Voters Of The City of Harrisburg

I deem it necessary to more clearly identify myself to those that do not know me personally. My name is Orval Hudnell. I reside at 1314 South McKinley St., Harrisburg, Ill. My wife is named Helen and is the daughter of Jessie and Laura Johnson of Harrisburg. I have a daughter named Maxine Ganell Davis. I have one son, named Robert Hudnell. He is also married. I have one grandson. I am 48 years of age, and am the son of the late Milas and Ethel Hudnell. My father passed away in 1949.

I voluntarily announced to make the race for City Commissioner. I was not influenced or brought out by any group or individual. I am interested in the welfare of affairs of the city, schools, churches, civic organizations, labor, taxes and anything else that affects the people of Harrisburg. I love its people.

If elected to this important office, I will exert every effort to make a more prosperous city to live in. I may be unable to meet every voter personally before next Tuesday, but I sincerely solicit your vote and influence.

Signed---Orval Hudnell.

Presbyterian Church U.S.A. Asks Members to Double Their Giving By 1962

By LOUIS CASSELS
United Press Staff Correspondent
The Presbyterian Church in the U. S. A. embarked this month on a "five-year plan" that many denominations would consider hopelessly idealistic.

It is asking its three million members to double their total giving to church work by 1962. The Presbyterians have the best possible reason for believing it can be done: They've done it before.

In 1950, the so-called northern Presbyterians were giving about 100 million dollars a year for local, national and foreign enterprises of their church. Last year, they gave more than 220 million dollars.

Although the denomination has grown in size during that period, most of the jump in its budget reflects more generous giving.

The present per capita giving figure of \$72.03 a year is one of the highest to be found in major Protestant bodies. It compares, for example, with \$52.79 for Episcopalians, \$43.82 for Methodists, and \$48.17 for Southern Baptists.

Behind the remarkable Presbyterian record is a new concept of church finance pioneered by the Rev. Dr. John Thompson Peters, secretary of stewardship and promotion.

Before Peters took charge eight years ago, the denomination followed the custom which still prevails in most Protestant bodies. Each year it would adopt a budget for the coming year, hopefully making the total a little larger than the previous one. This national total was then parceled out among the 8,600 local Presbyterian churches. When the goal was reached, the drive was described as a success and everyone rested until the next year.

Under Peters' leadership, the Presbyterians switched to an "open end" budget. Each year the national church proposes a "basic program" which simply maintains the status quo. At the same time "advance programs" are laid before the denomination on the basis of "Here are some things which we ought to do, and which we will do if we get the money."

Can See Ahead
The advance programs are spelled out in detail.

Thus Presbyterians know that in 1958, if they give more than the bare minimum requirements represented by the basic program, they will be helping to expand missions in West Africa, Japan, Iran, Chile and 30 other countries; to build new churches in mushrooming U. S. suburbs and support missions in teeming inner-city slums; to expand the facilities and strengthen the faculties of 41 church-related colleges; to train thousands of church school teachers and other lay leaders.

Beyond the "advance program for 1958" is a list of long-range projects in Christian education.

Du Quoin Man, Father of Seven, Killed by Own Truck

DU QUOIN, Ill. — William Fann, 52, Du Quoin, father of seven dependent children, was killed Friday when he was run over by his own truck.

Fann was a water tank truck operator at the United Electric Coal Company's Fidelity Strip mine west of here.

Coroner John Gaetz said Fann was sprinkling a mine road and apparently got out to inspect his truck. He was run over by the rear wheels, then the truck rolled over a 10-foot embankment. Authorities said Fann is survived by his widow and seven dependent children.

536-38 Fulton Street
Peoria, Illinois

Dear George:

New D-X Boron Motor Fuel, introduced and advertised in Illinois newspapers, is a tremendous success. Motorists all over Illinois are writing unsolicited letters praising the performance of this new D-X product.

Since its introduction in June of this year, D-X Boron sales have enjoyed an overall increase of over 30.6% with some areas reporting increases of as much as 55.1%. Latest reports indicate that sales are still climbing. These increases in the sale of D-X Boron are compared with the sales of D-X premium gasoline for a corresponding period in 1956.

Illinois newspapers have been used quite extensively in 1957 and deserve considerable credit for this sales success. Both we and our client, D-X Sunray Oil Company, congratulate you and your members on the outstanding sales ability of Illinois newspaper advertising.

We are extremely pleased to be able to give you this news. We hope that through continued use of Illinois newspapers similar reports will be possible in months and years to come.

Sincerely,

Gerald L. Mosley

ATTEND CHURCH SUNDAY

DANGER AHEAD!

Beautiful, yes. Beautiful as only Nature in all her purity can be. But dangerous too; dangerous to the ships at sea and the men they carry. For an iceberg's greatest bulk lies unseen beneath the surface . . . and against it, the unwary cannot survive.

Many of the things which, on the surface, appear the most tempting and beautiful contain hidden dangers and unsuspected pitfalls.

Men, like ships, need warning and guidance—and nowhere can they find greater help, greater love and protection than in their Church.

THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'The Source of The Church's Power'

Acts 1:4-8; 2:1-11
GOLDEN TEXT: "But ye shall receive power, after that the Holy Ghost is come upon you, and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth. (Acts 1:8)

INTRODUCTION—Power is the thing sought throughout the world today. In the area of the military, nations are racing against nations to outdo one another in gaining greater striking power. In the area of politics, men seek constantly for greater power. In unions and business the same is true. Power and strength and might are sought after on every hand.

The greatest power in all the world is spiritual power. The potential power in one church family is unrealized today. One group of Christians has it within their power to change a whole city, state, or nation. How is this? It is because God has given power to His church.

Let us remember that Pentecost was for the purpose of introducing the Holy Spirit to the world. We are not to expect that exact experience to happen on earth again. However, the Holy Spirit has come to dwell with us, and He is now with us daily.

I JESUS PROMISED POWER (Acts 1:4-8)

Jesus came forth out of the grave, and he has been alive ever since. Soon after his resurrection he appeared to his disciples. This was a great encouragement to them. He told them that he was going back to his rightful place in heaven, but that he would not leave them comfortless. He promised to send the "Comforter," the Holy Spirit.

Jesus told his disciples to tarry there in Jerusalem and wait for the coming of the Holy Spirit. He, also, told them that they were to be his witnesses in Jerusalem and throughout all the world.

This is his message to you and me. We are to witness for Christ at home and in our own community. Then, through our lives and offerings we are to witness throughout the world by making it possible for others to go to these distant places and preach the gospel.

II POWER OF THE HOLY SPIRIT (Acts 2:1-5)

Here we see the power of the Holy Spirit on the great day of Pentecost. The followers of Christ had tarried and prayed for ten days. Someone has said that the difference between then and now is that they prayed ten days and won three thousand souls to Christ; while today we pray ten minutes and preach ten days and win a mere handful to Christ.

When the Holy Spirit came at Pentecost there was "a mighty rushing of wind." It was powerful, cleansing and refreshing. He was invisible and mysterious. He was God speaking. The Holy Spirit came as fire. Here again He was a purifying force. He was represented as a cleansing, warming, cheering and powerful force. He came to the followers of Christ.

These men were filled with the Holy Spirit and they began to speak in the tongues of other people. There were foreigners in Jerusalem from many surrounding nations during the week of Pentecost. They were amazed that these natives of Jerusalem could speak in their own tongues so fluently. The Holy Spirit made this possible as he filled these followers of Christ.

The Holy Spirit still speaks through the followers of Christ today. When He does, there are always those present who can understand and appreciate what He is saying.

CONCLUSION (Acts 2:6-11) The good news (the gospel of Christ) is for all the whole world. It is not for just some select group, nor is it for only one nation or race of people. When the Holy Spirit comes into the hearts of men they want to see all people saved.

The power of the Holy Spirit can only be used to magnify and glorify Christ. When any person attempts to use His power to gain glory for himself, the Holy Spirit departs. There are some men running around over the country today claiming to be able to cure people of physical ills. They are making money by the thousands of dollars off of poor, foolish people. These men are not seeking glory

Charivari For Mr. and Mrs. Thomas McVey Mr. and Mrs. Thomas McVey, newly married residents of the community, were surprised with a charivari party Saturday evening. Their friends arrived with a great deal of noise and shouting followed by friendly greetings and a shower of gifts.

Refreshments were served to the guests and everyone was reported to have had a fine time.

Corn picking got under way last week and many farmers who had not been able to get into the fields because of the wet weather, were helped by the freezing temperature, to gather the corn.

The community extends sympathy to the Oscar Williams family for the loss of the wife and mother of the home.

Mr. and Mrs. R. E. Mings visited Mrs. Beatrice Mings in West Frankfort Saturday.

Word has been received by Mr. and Mrs. R. A. Mings, of the birth of a son to Mr. and Mrs. Mark Miller in Chicago. The mother of the child is the former Miss Frances Mings who taught school in Saline county. This is the second child of the Millers.

Mrs. Barbara Fowler wrote to her parents, Mr. and Mrs. W. A. Patterson, that she and her husband, Jack Fowler, cannot come home as planned because Mr. Fowler, who is with the Navy U. D. T. 21 stationed at the Navy Base at Little Creek, Va., had his leave cancelled for military reasons.

Miss Martha Swafford visited Miss Margie Patterson Wednesday.

Bull Dogs Lose to Rangers, 75-70

Western Illinois Defeats SIU, 83-63

MACOMB, Ill. (AP)—Western Illinois University earned its 11th straight basketball win with an 83-63 victory over Southern Illinois University Friday night.

Grady McCullen showed the way for the Interstate Intercollegiate Athletic Conference defending champs as Western took its third conference win. He sank 21 points. Tom McGreal paced SIU with 16.

Western started slowly, but took the lead 22-20 with 10 minutes left in the first half. The Leathernecks then used a fast-breaking offense to build a 42-35 halftime edge.

Western now has a 3-0 won-lost record, and SIU has a 1-1 mark.

Ridgway, Rosiclare, Cave-in-Rock Win In Greater Egyptian Loop Play

Ridgway's position at the top of the Greater Egyptian conference was made more secure Friday night with the leaders winning and runnerup Galatia falling to Cave-in-Rock.

The Ridgway victory over Pope County boosted the Eagles to a 7-0 loop mark. Rosiclare, by beating Equality, climbed over Galatia into second place. Rosiclare has a 5-2 mark to Galatia's 4-2 record.

The thriller of the night was played at Cave-in-Rock, where the home town club managed to eke past Galatia 51-50.

The game was marked by fast play and an unusually low number of fouls. Only two fouls had been called at half time and there were only 14 during the entire game, including five on the Rockers and nine against Galatia.

Galatia got into a 15-6 first quarter hole and trailed at the end of every period.

Bill Shore of Cave was the top scorer with 24 and Boyett topped Galatia's point making with 20. Equality experienced a horrible third quarter to ruin any chance the Gallatin county boys had against the fast-breaking Rosiclare team.

After playing on even terms the first half, with the score reading 32-31 in favor of Equality at the intermission, Equality was held to one field goal and erred constantly in the third frame. Passes were either wild or bobbled, rebounds were lost, what few shots were fired twisted out of the hoop, with one exception.

During this time Rosiclare was playing a good, steady brand and added 15 points to its total.

Equality bounced back to a degree in the fourth frame, pulling to a 56-54 deficit with 2:30 on the clock, but in the remainder of play Rosiclare hit five free tosses and Equality two.

Rosiclare finished the game with only one regular. At the 1:41 mark Donnie Seay fouled out, making the fourth member of the starting five to be whistled from the game.

Rosiclare, playing under the direction of Coach Bill Piland for the first time in two weeks, had a great night at the free throw line, hitting 27 and missing only four.

Both clubs started well at the line, neither missing a toss in the first quarter and Equality's first miss was on the ninth try and Rosiclare didn't miss until the tenth attempt. Equality finished with a 26-17 record on charity tosses.

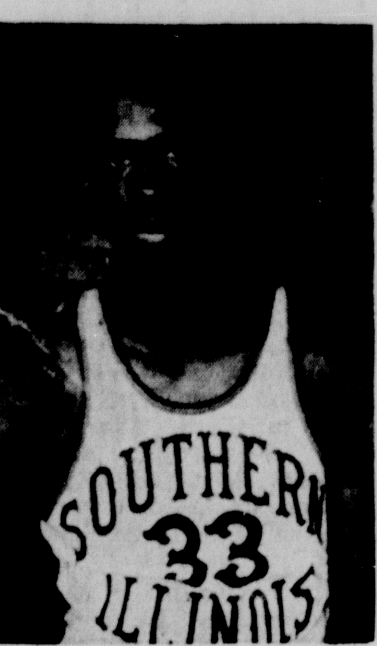

Bernie Smith played an outstanding game for the losers, but couldn't keep pace with the overall balance of the winning Rosiclare Bears.

Ridgway held the upper hand all the way in its game with Pope County and early in the fourth frame Coach Bob Dallas had an entire reserve team in action.

Roger Suttner, big junior center, led the scoring with 37 points, 25 of them scored in the first half. Ernie Clifford had 12 for runnerup honors, with nine entering the scoring column.

King, Pope County's top performer, was used sparingly due to a leg injury. King was injured Tuesday night in a game with Cave-in-Rock and has been under a doctor's treatment since. He was held to 8 points, a new low for him in GEC play.

Boaz and Jones, with 15 each tied for Pope County scoring honors.

SEYMOUR BRYSON of Quincy, who is currently leading Southern Illinois University cagers in rebounding, "Quickness and timing are as important as jumping" the 20-year-old 6-4 junior player says. Last year as a sophomore Bryson won a berth on the Interstate Conference's All-Star first team—one of the few sophomores to ever receive such an honor. A co-captain of the SIU cage team this year, Bryson received a trophy for the best individual sportsmanship at the recent All-American Holiday tournament at Owensboro, Ky. (SIU Photo Service)

Locals Will Face Tough Mount Vernon Rams at Davenport Gym Tonight

The Harrisburg Bull Dogs, who dropped a 75-70 thriller at Benton last night, face another tough South Seven basketball foe in Davenport gym tonight.

Tonight's opponents are the Mt. Vernon Rams, who beat strong West Frankfort in the finals of the Harrisburg holiday tournament, then removed any doubts in anybody's mind as to their power when they knocked off Herrin last night.

The Rams feature 6-5 Jack Cotter, Andy Changnon, Coleman Carrodine and muscular Willie Rodgers, who at 5-11 is one of the best rebounders in the state.

At Benton last night the Bull Dogs scored 64 points the last three quarters but a bad first period, when the locals were very cold in their shooting, put them too far behind. Harrisburg, which had had a two-week layoff, was coming close but could not connect and wound up the quarter with only one field goal.

But they started going against the tall Rangers the second quarter, when they scored 24 points, and kept up the pace the remainder of the game. Benton Coach Ralph Davidson has probably the tallest team in the conference with the big man 6-5 Hungate, three others well over six feet tall and only Walker, a well-built athlete, the sole player under six feet.

The Bull Dogs did fine ball handling and good shooting once they got started but the Rangers also

Peace In Harrisburg

Now, don't get me wrong. I've lived in Harrisburg all my life, and I suppose that good Pankey Branch water will keep me here till I die. I wouldn't have it any other way, because Harrisburg is a fine town—a wonderful town.

BUT... It could be better. Any town has its problems, and one of ours is jobs. I've worked on that problem as hard as anybody, and I've gotten jobs for dozens of Harrisburg men, and I can prove it. That's not our biggest problem right now, strange as it may seem. Our biggest problem is how to get responsible people in our city government whose only aim is good government. There isn't any room for petty jealousies, personal envy, and "what's in it for me" thinking. One of our big difficulties is the attitude that's like the little boy who said "If we don't play my way I'll take my bat and go home." There's no room for that kind of thinking.

If you elect me commissioner, I have only two aims to fulfill: To do the best I possibly can for our town, which I've always tried to do, and to be sure that everyone knows just what's going on in your city government at all times.

One more thing: I'll try to act like a gentleman and a responsible individual. Nobody can sincerely promise any more.

I Will Appreciate Your
Vote Next Tuesday!

Warriors Rout Hawks, 124-93

By United Press
The figures say the St. Louis Hawks are a first-place team and the Philadelphia Warriors just a last-place team, but you'd never know it from the way the Warriors walloped the Hawks.

Philadelphia's, 124-93 rout of St. Louis Friday night at Philadelphia marked the 11th straight time the tail-enders have beaten the Hawks in a game in the "City of Brotherly Love." This time the Warriors rubbed it in by tying their home-court record of 40 points in a single period.

The win moved the Warriors within two games of third place in the Eastern Division as the New York Knicks lost to Cincinnati, 107-104. In the only other game Friday night, Minneapolis snapped a six-game losing streak by beating Detroit, 124-114.

Tamm Player Smashes Dike Eddleman Mark

TAMMS, Ill. (AP)—A 6-2 senior forward on the Tamms high school team set a new state scoring record as he led Tamms to a 105-43 victory over Vergennes Friday night.

Charles Vaughn poured through 44 points and gave himself a 2,708 point total for his high school career smashing Dwight (Dike) Eddleman's 16 year old record for high school cagers set when the former Illinois University star athlete played basketball at Centralia.

The old record was 2,702 made over Eddleman's four year high school career.

Vaughn made 15 out of 32 field goal attempts and hit 14 of 18 free throw tosses as his team smashed Vergennes.

Vaughn's coach, Scottie Lynch, said his lanky sharpshooter has not decided where he will attend college, but said he already has an offer from Southern Illinois University at Carbondale.

Johnston City Edges Eldorado Eagles, 53-52

Rapidly improving Eldorado almost came through with a victory over Johnston City Friday night, but fell short by one point, 53-52.

The game was played at Eldorado.

In a previous meeting between the two clubs, at Johnston City Dec. 6, Eldorado lost by the one-sided count of 64-37.

Eldorado jumped into an 18-10 first quarter lead, but in the second and third frames could pick up but a total of 16 points and as the last period started Johnston City held a 36-34 advantage and managed to hold on for the decision.

Eldorado's Leonard Willis was top point maker with 23. Whit's 18 was high for Johnston City.

Mt. Vernon Jolts Herrin, 60-56; West Frankfort Edges Marion, 63-61

By United Press
The Mount Vernon Rams butted defending state champion Herrin to its second defeat Friday, while Rockford East and Peoria Spalding shot to their 11th straight high school basketball victories.

Mount Vernon, beaten only by West Frankfort this season, jolted Herrin 60-56, on the Mount Vernon floor, just a week after Herrin had absorbed its first defeat at the hands of top-ranked West Frankfort.

West Frankfort, meantime, had a close scrape in winning, 63-61, over Marion for its 12th victory in 13 games.

Rockford East shelled Freeport 72-59, and Peoria Spalding bowled over Galesburg Corpus Christi, 70-39, to run their perfect records to 11-0.

Springfield Lanphier hung up its

ninth straight win 62-61 in a squeak over Decatur St. Teresa.

Pekin, Mount Carmel and Rock Falls were among favored teams counting victories Friday, but Edwardsville, Champaign and Ottawa ran into difficulties.

Pekin registered its 7th triumph against only one defeat by outdistancing Peoria Central, 77-55.

Mount Carmel bounced back from its second defeat Tuesday to run up a 63-50 decision over Lawrenceville, while North Egyptian Conference leader Carmi stopped Flora, 52-44.

Rock Falls collected its 12th victory in 13 games, but had to go into overtime to do it, 55-51, over Princeton.

Belleville shaded Edwardsville, 51-50, to hand the Tigers their second defeat in 12 outings.

Spring Valley Hall clipped Otta-

wa, 67-65, in overtime to hang a fourth defeat on the Pirates. It was the second victory this season for Hall over Ottawa.

In another tight battle, Mattoon edged Champaign, 40-39, in the Big 12 Conference.

Charlie Vaughn, 6-2 center from Tamms, broke the four-year total Illinois prep basketball scoring record set by Dwight Eddleman 16 years ago as Tamms beat Vergennes 105-42. Vaughn got 44 points for a four year total of 2,708, compared with 2,702 for Eddleman who played at Centralia.

Shelbyville and Litchfield marched to victories in the Midstate Conference, Shelbyville topping Taylorville, 56-55, and Litchfield catching Vandalia, 60-58, in overtime.

In the South Suburban race, Bloom tripped Kankakee, 59-55, and Lockport beat Thornton, 56-44.
